This letter is to advise you in advance of essential work to the boundary Wall to St Mary the Virgin church on High Street.

A Section of the wall has become unstable and needs to be taken down and re-built

The work will cause some disruption accessing the High Street just down from the War Memorial by the layby opposite the church.

Lodge and Sons Ltd will be undertaking the work

It is due to start on the 19th June until the 15th September.

Road restriction will be removed weekends

Working hours are 7.30am to 4.00pm

We will aim to only restrict the road to a minimum

If there is any change to the dates of the work a new letter will be sent out.

I have attached a lay out of the traffic management to be put in place.

We thank you in advance for your patience and cooperation during these essential works.

If you have any question or comments about the scheme, please feel free to contact us on the details above.

Many thanks
